Absent: Lori Cox, Tomás A. Magaña M.D

Chair Pamela Simms-Mackey called the meeting to order at 5:30 PM.

1. Public Comment (for items not listed on the agenda) - Limited to 3 minutes per speaker

There were no public comments.

2. Approval of Minutes from October 20, 2016

<u>Commission Action: The Commission approved the October 20, 2016 minutes upon motion by</u> <u>Commissioner Chan, seconded by Commissioner Coffin and unanimously carried with no abstentions (6 in favor, 0 opposed, 0 abstentions).</u>

3. Staff Announcements

Janis Burger, CEO announced that Kimi Watkins-Tartt has been appointed to the Commission by the Board of Supervisors (BOS) effective September 13, 2016. Dr. Karyn Tribble, Deputy Director, Alameda County Behavioral Health Care Services has been identified to serve as her Commission Alternate pending approval by the BOS.

Ms. Burger stated the First 5 Alameda County (F5AC) Gala Event save-the-date cards have been printed. The Commissioners each received a set of cards to distribute to their contacts.

PROGRAM

4. FY 2017-21 Strategic Plan Discussion

Ms. Burger discussed the recommendations on Home Visiting (HV) funding in the FY2017-2021 Strategic Plan detailed in the handout provided to the Commission. F5AC's original proposal recommends reducing funding by \$1.5M in FY 2017-18, for a total funding amount of \$1.5M. The recommendation for FY 2018-19 includes an additional \$1.5M reduction resulting in the elimination of funding for direct home visiting services. There is no fiscal impact on the bottom line budget but any changes will require shifts in the Strategy Budgets.

Commissioner Chan stated providers have expressed their concern and would like to see a slower phase out of HV dollars. There will be an Alameda County Health Care meeting held on November 26th.

Vice Chair Herzfeld stated there are similar concerns being raised regarding funding in the early childhood field with the gap between community, access to childcare and the decrease in early childhood education funding. She inquired about the threshold in F5AC's reserve and if it is comparable to other First 5 agencies. Ms. Burger stated that F5AC maintains a six month reserve as a best practice and is in line with what other First 5 agencies practice.

Chair Simms-Mackey inquired whether HV is the only strategy being phased out. Malia Ramler, Senior Administrator, Community and Provider Capacity Building stated the Community Grants strategy will no longer be support by F5AC with funding going to \$0 in the new Strategic Plan.

Kristin Spanos, COO, stating F5AC will continue to fund outreach for home visiting and other family supports via the PHOCs, ECChange technology system, data and evaluation support and Training. The Agency remains committed to the County's early childhood system of care, of which home visiting is a crucial component. Ms. Spanos stated the type of supports F5AC wants to implement both complement the existing home visiting programs, and extends reach to those families for whom these programs do not meet their needs. Adjustments could be made to any program strategy area(s) to accommodate requested restorations to home visiting. F5AC is using Parent Engagement & Support for illustrative purposes, as that is where HV is currently budgeted.

Ms. Spanos presented the original proposed funding for HV in the FY 2017-21 Strategic Plan. No backfill was specifically requested in the Strategic Plan, though F5AC strongly supports ongoing County financial support of HV and identifies it as a critical component of the system of care of early child development and families. F5AC is actively engaging County leadership and other funders to support existing services and needed expansion.

Ms. Spanos presented funding options that were not included in the previous Strategic Plan draft. Option A proposes F5AC fund HV in the amount of \$1.5M for FY 2017-18, \$750K for FY 2018-19, \$750K for FY 2019-20 and \$0 in FY 2020-2021. This option would request backfill from Alameda County each fiscal year to total \$3M in funding.

Ms. Spanos presented Option B which proposes F5AC fund HV in the amount of \$2M for FY 2017-18, \$1M for FY 2018-19, \$0 for FY 2019-20 and \$0 in FY 2020-2021. This option would request backfill from Alameda County each fiscal year to total \$3M in funding. Ms. Burger stated a long term HV funding solution with more sustainability will need to be determined by the next Strategic Plan.

Commissioner Coffin stated his support of Option A and noted the importance to reforecast annually based on community contributions.

Commissioner Echeverria stated her support for Option A and commented this would send a signal to the Federal government showing in solidarity with the community.

The Commission unanimously recommended moving forward with Option A in lieu of the original proposal for funding for Home Visiting in the FY2017-2021 Strategic Plan.

Commissioners Absent: Chair: Pamela Simms-Mackey M.D., Scott Coffin, Lori Cox

Vice Chair Renee Herzfeld called the meeting to order at 9:01 AM.

1. Public Comment (for items not listed on the agenda) - Limited to 3 minutes per speaker

Vice Chair Herzfeld informed the public, Agenda Item #1 is open for comments on issues that are not listed on the agenda. The public may complete a comment card if they wish to speak on a non-agenda topic. She stated that public comment on the Strategic Plan will be taken when it is presented. Vice Chair Herzfeld stated the Second Reading of FY 2017-21 Strategic Plan has been moved from Agenda Item #7 to Agenda Item #5.

Vice Chair Herzfeld opened the discussion to Public Comment.

Erin Le, Attorney, East Bay Community Law Center, provided a brief overview of the services provided by her agency. Ms. Le commented on the positive effects of First 5 Alameda County's (F5AC) professional development opportunities for agency partners. She also thanked the Commission for their support in serving the community.

Renata Moreira, Interim Executive Director, Our Family Coalition, provided a brief overview of the services provided by her agency and discussed funding concerns with the new federal administration.

Jessica Salaam, Program Director, Center for Early Intervention on Deafness provided a brief overview of the services provided by her agency. Ms. Salaam gave a testimonial on the positive effects of F5AC's support.

2. Approval of Minutes from October 20, 2016

<u>Commission Action: The Commission approved the October 20, 2016 minutes upon motion by</u> <u>Commissioner Chan, seconded by Commissioner Echeverría and unanimously carried with no</u> <u>abstentions (5 in favor, 0 opposed, 0 abstentions).</u>

3. Staff Announcements

Janis Burger, CEO, announced The Atlantic recently published an article which highlights Too Small to Fail's work to incorporate talking, reading, and singing prompts into new playgrounds across the

country, as well as The Clinton Foundation's community based work with trusted messengers throughout Oakland. Carla Keener, Senior Administrator at F5AC contributed to the article which was distributed for review.

Ms. Burger announced F5AC has received a 3-year grant from the Sunlight Giving Foundation to support Neighborhoods Ready for School.

INFRASTRUCTURE

4. Contract Authorizations

Christine Hom, Finance Officer presented the contract authorizations and provided a brief overview of the funding sources of each contract authorization as outlined in the memo provided to the Commission.

Vice Chair Herzfeld facilitated the vote for the following contracts:

- Applied Survey Research (both contracts)
- Oakland Education Fund
- Melia Franklin
- Merritt College
- UCSF Benioff Children's Hospital Oakland

Commission Action: The Commission approved the contract above upon motion by Commissioner Watkins-Tartt, seconded by Commissioner Echeverría, and unanimously carried with Commission Alternate Love abstaining from the vote (5 in favor, 0 opposed, 1 abstention).

PROGRAM

5. Second Reading of FY 2017-21 Strategic Plan - (Formerly Agenda item 7)

Vice Chair Herzfeld opened the discussion to Public Comment on the FY 2017-2021 Strategic Plan.

Kiko Malin, Director, Alameda County Public Health Department thanked the Commission and F5AC for the adjustment in funding to support the Home Visiting (HV) program since the previous reading of the FY 2017-2021 Strategic Plan. Ms. Malin expressed concern for program funding due to the recent election results. She presented a handout detailing the recent changes in HV funding landscape and current state of the HV system of care.

Ms. Burger presented the second reading of the FY 2017-2021 Strategic Plan. She provided an overview of the 10-month strategic planning process, which included community surveys, stakeholder interviews, parent focus groups and F5AC staff participation. Given F5AC's financial realities, shifts in the field of child development and the needs of our community tough organizational decisions needed to be made, i.e. reductions in funding to some areas of programming and re-envisioning/restructuring in others, such as community grants. Ms. Burger stated each proposed reduction is painful for the agency and does not reflect a lessening of the value placed in any programmatic area. F5AC will continue to work hard and collaborate to seek adequate funding for HV, Early Care and Education (ECE) and Early Detection.

Commission Meeting Minutes

Ms. Burger stated that based on the direction of the Commission at the November 14, 2016 meeting, F5AC is proposing to fund the HV Direct Service Contract for \$1.5 million in FY 2017-18, \$750,000 in FY 2018-19, and \$750,000 in FY 2019-20 with the goal of obtaining matching funding from other partners. This is an adjustment from the prior recommendation which was funding of \$1.5 million in FY 2017-18 and elimination of funding for the subsequent fiscal years. The overall amounts per strategy in the plan are unchanged from the first reading.

Commissioner Chan asked if moving funding from the FY 2019-20 budget to FY 2017-18 of the Strategic Plan would allow more time during to find alternate funding options. The shift in funding would not change the bottom line of overall funding.

Commissioner Echeverría expressed concern that consistency in revenue may be difficult if funding is shifted to FY 2017-18.

<u>Commission Action: The Commission approved the Second Reading of the FY 2017-2021 Strategic Plan</u> upon motion by Commissioner Chan, seconded by Commissioner Echeverría, and unanimously carried (6 in favor, 0 opposed, 0 abstentions).

6. FY 2015-16 Annual Report to First 5 California (Formerly Agenda item 5)

Ms. Burger presented the FY 2015-16 Annual Report to First 5 California. Each year F5AC is required to submit an annual report to First 5 California. The report contains client, financial data, and a narrative summary of evaluations completed in FY 2015-16 and was submitted on November 1, 2016.

<u>Commission Action: The Commission approved the FY 2015-16 Annual Report to First 5 California upon</u> <u>motion by Commissioner Magaña, seconded by Commissioner Chan, and unanimously carried (6 in</u> <u>favor, 0 opposed, 0 abstentions).</u>

7. F5AC Annual Report (Formerly Agenda item 6)

Chris Hwang, Evaluation & Technology Senior Administrator presented the F5AC Annual Report. On an annual basis F5AC produces an annual report reflecting accomplishments, outcomes and a financial summary of activities. The report for fiscal year 2015-16 (July 1, 2015 through June 30, 2016) is prepared for review and approval by the Commission. Ms. Hwang thanked the agency staff and partners for their work in collecting data.

Ms. Hwang presented an overview of each of the result areas detailed in the report as well as the data findings for each result. Ms. Hwang stated there are 5,500 medi-cal births per year in the county. F5AC Perinatal Hospital Outreach Coordinators, stationed at local hospitals & other community locations, referred families to HV/family support programs and other supports such as WIC & health insurance. 1,359 families were referred by F5AC to over 10 home visiting/family support programs.

Ms. Hwang provided a brief overview of the 2015 Alameda County School Readiness Study and stated 33% of children ages 3-5 in Alameda County are not enrolled in pre-school or kindergarten. F5AC was able to serve over 500 children through quality early learning experiences for families whose children were not enrolled in licensed child care.

Ms. Burger stated with support from F5AC, the Interagency Children's Policy Council, the Alameda County Early Childhood Policy Committee and Parent Voices Oakland brought together over 50 parents for the Spring Parent Forum, which led to the launch of a campaign to increase access to child care subsidies for displaced and/or homeless families. The County Board of Supervisors has agreed to work with parents to identify funding for this effort.

Ms. Burger stated F5AC was one of several funders of research conducted on how to modify the way ECE subsidy dollars are utilized and distributed in the county. This work contributed to the development of the AB833 Early Care and Education Subsidy Implementation Plan, which was recently approved.

Ms. Burger highlighted the collaboration with the Oakland Starting Smart and Strong Initiative. (OSSS) . Oakland is one of three communities in California participating in the Lucille Packard Foundation's 10 year effort to support kindergarten readiness and 3rd grade success. Other cities are Fresno and Santa Clara. F5AC serves on the Lead Planning team for the Oakland Starting Smart and Strong Initiative and Malia Ramler is the co- chair of the OSSS initiative.

Commissioner Watkins-Tartt inquired about the geographic spread of the WIC sites and providers and requested to see a visual on where they are located. Ms. Hwang stated F5AC would be able to generate a map of providers for the Commission,

Commissioner Chan left the meeting; Commissioner Alternate Karina Rivera joined the meeting.

8. State Commission and Association Updates

Ms. Burger announced First 5 Association will be hosting an Advocacy Day on January 31, 2017. First 5 Commissions from across the state will have the opportunity to meet with legislators, local commissioners, and network with fellow First 5 leadership to work together to further understanding about who First 5 is and what we do in the face of declining revenue. First 5 Commissioners, Executive Directors and staff are all encouraged to attend. Ms. Burger invited the Commission to sign up for First 5 Association updates through their intranet website. Registration for the event is available on the intranet.

9. Legislation and Public Policy Updates

Ms. Burger stated that First 5 Alameda County has been approved to join the Youth Ventures Joint Powers Authority (JPA). The JPA met with the Oakland Thrives Leadership Council on December 7th and discussed the implications of recent election results. The next JPA Board meeting will take place on January 12, 2017.

Ms. Burger reported Help Me Grow California which is housed at the First 5 Association is hiring an advocacy and policy position to support sustainability. Loren Farrar, Help Me Grow Coordinator, will represent F5AC on the statewide committee.

MISCELLANEOUS

10. Communication from Commissioners

Commissioner Echeverría announced she has taken a new position within Kaiser Permanente. She is now the Senior Director for Public Policy, Strategy & Operations for Kaiser's Institute for Health Policy, Government Relations. Her new role connects health care experts, advisers, policymakers and providers through national and international networks, publications and conferences. Vice Chair Herzfeld announced Hayward Promise Neighborhood's (HPN) five year grant from the US Department of Education will end on December 31, 2016. The work of HPN will continue beyond the end of the grant. Vice Chair Herzfeld stated Ms. Burger has provided positive leadership in the HPN Executive group.

11. Adjournment

Vice Chair Herzfeld adjourned the meeting at 10:04 AM.

AGENDA ITEM 5

Subject:	Half Yearly Financial Report for July 1 – December 31, 2016
Date:	February 23, 2017
From:	Christine Hom, Finance Officer
То:	First 5 Alameda County Commission

REQUESTED ACTION

To review the Financial Report for the first six months of FY 2016-17.

BACKGROUND

This narrative, and the attached statements, report Revenues and Expenses for the period July 1 – December 31, 2016. At the end of December, 50% of the fiscal year was complete. Therefore it is reasonable to expect that total revenues and total expenses will be at or near 50% of budget projections, subject to timing lags. Material exceptions are noted below.

Revenue

As of December 31st, total half yearly revenue received was \$4.2m, or 26% of the revenue projection for the current fiscal year compared to 53% last year. Of this amount:

- Tobacco Tax receipts of nearly \$3.5 million (of \$12.4m budgeted) or 28% was received for the first six months of the fiscal year and also in keeping with prior year trends.
 Proposition 10 revenues are typically received 2 months in arrears.
- As of December 31st, \$215,742 (of \$1.12m budgeted) or 19% of Inter-agency Income had been received; mainly from reimbursements from several contracts with Alameda County Social Services Agency (CALWORKS contract) and Alameda County Public Health Department (Help Me Grow Linkage Line contract).
- Grant funding of \$361,000 (of \$1.54m budgeted) or 23% was received from the Koshland Foundation, Lucile Packard Foundation, Sunlight Giving and Connecticut Children's Medical Center.
- Medi-Cal Administrative Activities (MAA) invoicing for FY 2015-16 expenditures are in process and reimbursements are expected this calendar year.

 Investment revenue of nearly \$212,621 was received in the first six months and represents 43% of the budget projection for the year. The continued prevailing low interest rate climate is the main cause of depressed yields.

Expenses

At \$4.2m, total Expenditures for the first six months was almost 20% of the budgeted amount of \$21.45m. This is slightly lower than the 26% of expenditures incurred during the corresponding period in the prior year.

Invoicing for second quarter Contract payments are currently underway and will be reflected in third quarter expenditures. Consistent with prior year practice, the majority of contracts and professional services contract expenses are paid in the second half of the fiscal year due to the timing of when reporting and invoices are received. Grant payments to Community Grantees are made according to a schedule of payments. In the first half of the year 25% of scheduled payments had been made; the remaining 25% will be paid by June 30.

Program operating costs are at 22% of budget; expenses are incurred at different times of the year based on various program factors. We anticipate experiencing a greater rate of budgeted spending through the end of the fiscal year. Infrastructure cost spending is closely in line with the budget for the 6 month mark and is comprised primarily of agency wide administrative expenses including insurance premium payments and office operating costs. Infrastructure costs from this budget category will be allocated to all programs at year-end to provide a more complete picture of actual program costs.

Summary

Total receipt of revenues are on the lower end at the mid-year due to the timing of monies to be received from external funding sources. Total expenses incurred are also relatively low as has always been the case in previous years. That will change as the year progresses and most expense line items are expected to trend closer to budget projections by year-end.

Fiscal Impact

From: Christine Hom, Finance Officer

Date: February 23, 2017

Subject: Half Yearly Investment Report, July 1 – December 31, 2016

REQUESTED ACTION

To review the Investment Report for the first six months of FY 2016-17.

BACKGROUND OF ACTIVITIES

The investment objectives of the First 5 Alameda County Agency are first, to provide safety of principal to ensure the preservation of capital in the overall portfolio; second, to provide sufficient liquidity to meet all requirements that may be reasonably anticipated; and third, to earn a commensurate rate of return consistent with the constraints imposed by the safety and liquidity objectives.

The performance objective of the First 5 Alameda County Agency portfolio is to earn a total rate of return that exceeds the total rate of return on identified benchmarks.

In 2005-06, First 5 Alameda County transferred \$34,000,000 from the Sustainability Fund held by the Alameda County Treasurer's investment pool to outside money managers. This report summarizes the activity and status of the investment portfolio as of December 31, 2016.

PORTFOLIO HIGHLIGHTS

The Investment Report shows the performance of funds that are invested in the Alameda County Treasury pool and with portfolio manager Chandler Asset Management. At the end of the last fiscal year (June 30th 2016), the total market value of the portfolio was \$31,320,495. In August 2016, F5AC liquidated \$4,000,000 of holdings and transferred the funds to the agency's operating account to address cash flow lags. The market value of the combined portfolios as of December 31, 2016 is \$27,057,819 at a cost of \$27,194,698.

INVESTMENT REPORT

Investment Income

Investment income is primarily derived from interest or yield payments on securities held in the investment portfolio. Typically, interest income from each security is received semi-annually. The money managers buy, sell and exchange securities consistent with the First 5 Alameda County Investment Policy in order to optimize overall yields.

Net investment earnings (net of fees) for the six months ended December 31, 2016 was \$198,047 and includes \$3,099 from the Alameda County Treasurer's pool.

Investment Fees

Fees include those levied by the portfolio manager and the fees levied by the account custodian (Union Bank). The total fees paid during this period were \$17,673.

Investment Activity

The Investment Activity shows all transactions affecting our portfolio. A purchase of securities increases the value of the portfolio whereas the sale of securities decreases the total portfolio value and may result in a gain or loss on the transaction.

Market Value and Unrealized Gains and Losses

There was an unrealized loss of \$136,879 at the end of December. This is determined by comparing the Cost and the Market Value of the portfolio on that date. It implies that a loss would have been realized, had the portfolio been liquidated on December 31st. Since the portfolio was not liquidated, this section is for informational purposes only. Government entities are legally required (GASB 31) to report unrealized gains and losses on investments.

Yield Benchmarks

Investment yields are compared to the Local Agency Investment Fund (LAIF) yields in order to benchmark investment manager performance. Chandler's annualized portfolio yield of 1.39% is well ahead of the LAIF yield of 0.43% and the Alameda County Treasury Investment Pool yield of 0.66% for the six month period.

FISCAL IMPACT

The total realized investment earnings at the end of the first half of the year were \$198,047.

AGENDA ITEM 7

To: First 5 Alameda County Commission

From: Christine Hom, Finance Officer

Date: February 23, 2017

Subject: FY 2016-17 Budget Modification Recommendation

ACTION REQUESTED

To review the following Budget Modification Recommendation

BACKGROUND

The operating budget for FY 2016-17 was adopted by the Commission in June 2016. As in prior years, First 5 Alameda County staff submit mid-year proposals to modify the adopted budget to address material changes in revenue, seek approval for unanticipated expenses that may have occurred and make necessary transfers and adjustments to reflect changes to program goals, since the adoption of the original budget.

REVENUE AND AVAILABLE FUNDS

The 2016-17 Adopted Budget projects revenue and available funding totaling \$21,450,000. The proposed budget modification changes this amount to \$21,725,406, a net increase of \$275,406.

The primary changes in revenue for this fiscal year are the addition of several new funding sources. As a collective result of these changes, it is anticipated that less Sustainability Funds will be needed to achieve a balanced budget at year end.

EXPENDITURES

The FY 2016-17 adopted budget projects expenses totaling \$21,450,000. The proposed budget modification changes this amount to \$21,725,406, a net increase of \$275,406. Please refer to the following summary of major changes and the attached Budget Modification worksheets for Revenues and Expenditures.
