

HOW CAN I HELP MY CHILD GET READY FOR SCHOOL?

WHAT DO I NEED TO REGISTER?

Kindergarten registration generally takes place during the Winter/Spring before your child will start elementary school

To register your child for Kindergarten, make sure you have the following ready:

1. Proof of your child's birth certificate
2. Two or three documents proving address of where your child lives, (e.g. rental agreement, utility bill, driver's license, CA Identification Card, military ID, etc.)
 - If you do not have a permanent residence, your child is still eligible for Kindergarten. Contact your local school district for information
3. Proof of Child Health Exam on, or after, March 2 of Kindergarten year
4. Proof of your child's immunizations/shots (yellow card)
5. Some districts also require your child to have a dental exam

If your child has special needs contact your local school district for any additional requirements, questions or for more info.

BEFORE SCHOOL STARTS

- Look at or read books with your child everyday
- Have your child practice getting dressed, using the bathroom, and washing his/her hands
- Help your child learn to listen, follow directions and take turns
- Teach your child to recognize some of the letters in his/her name
- Visit the school with your child and talk about what you see
- Let your child know you are excited about Kindergarten

WHEN SCHOOL STARTS

- Make sure your child gets enough sleep, eats a healthy breakfast and is dressed for the weather
- Talk with the teacher often, and ask how you can help your child learn at home
- Ask the teacher how to get involved at school. Go to parent conferences and meetings
